INTRODUCTION

Established in the year 2004, Dnyan, Kala, Krida & Krushi Pratishthans [D.K.K.K.P.] has been running an Industrial Training Institute, M.B.A., Polytechnic & also an English Medium School in the rural belt around Kalamb, A village about 130 k.ms South East of Pune. The board of trustees under took these initiatives to provide all round educational opportunity to the rural youth for their over-all development so that they will be able to build a bright future not only for themselves but also contribute in the development of the area.

The founder President Shri. Uttam Phadtare is an industrialist, National player who strongly believes that efforts towards developments of a Techno-Entrepreneurial Society are the Key to achieve the vision set by the trust.

The brochure in your hand briefly tells about the D.K.K.&K.P's Shree Vyankateshwara English Medium School Kalamb- Walchandnagar, Which is founded by the trustees & Registered by Govt. Of Maharashtra Pune in 2007 and being run by a team of highly qualified and experienced teachers.

Shree Vyankateshwara English Medium School Mission Statement

The mission of Shree Vyankateshwara English Medium School is to provide each student a diverse education in a safe, supportive environment that promotes self-discipline, motivation, and excellence in learning. The Shree Vyankateshwara English Medium School team joins the parents and community to assist the students in developing skills to become independent and self-sufficient adults who will succeed and contribute responsibly in a global community.

Our school is committed to encouraging the best in its students, staff, and community. We aim to nurture a passion for knowledge, sport, creativity, and vocational skills.

We do this by :

- Creating a respectful working environment for students and staff.
- Providing a personalised and student-centred approach to learning.
- Providing World class learning environment, with technology and teaching methods.
- Building a 'Culture of Achievement'.
- Focusing on continuous improvement and shared accountabilities.
- Developing partnerships with our community-local, national, and global.
- Encouraging school and community health and well-being.

Values :

Our Shared Values Are :

- Respect
- Honesty
- Responsibility
- Achievement

VISION

Our shared vision is of a school that enables each student to achieve their potential within a learning environment that is safe, positive, respectful, inclusive, and welcoming.

ITW-This unique Computer education program from NIIT equips the students with core and advanced computer knowledge and IT skills.

IPICT-NIIT brings this well established European standard as “International Pedagogical ICT (IPICT)” : an initiative for teacher professional development aimed at training and up-skilling teachers for the digital age.

It wizard Curriculum is based on a unique 4 A methodology of Acquire, Augment, Assemble and Apply. The methodology is based on well researched instructional design theories. The approach helps the students to understand, assimilate and put to practice all the concepts learnt by them. It ensures that learning requirements of all types of learners like visual, kinesthetic, tactile etc are taken care of.

IPICT course enables teachers to develop the competencies required to successfully integrate ICT into the teaching process as well as their daily life. It is not just about learning ICT skills but also about the pedagogical application of those skills in student education.
